Dear Folke -

I can sit you
know that am in Lowell again.

I was in Lakeport since
Monday and Wednesday
morning we had to come back
to pass the doctor again.

I passed the doctor and
I was good and healthy, this
was the third time we were
examined by doctors.

I don't know how long
we will stay in Lowell but
I think when you receive

this letter I will be some where else.

Say that a fine letter to send, to me giving me h—l. First, I couldn't get out of the armory here much, I was only home a few times and then I never had much time to stay. I slept here about 2 times only, the rest of the time I would sleep in the armory.

When I wrote you the letter from Lakeport D. H. I had to do it while I was on guard duty in a big cold wind, my fingers were almost froze, and letters will be

plenty now so don't worry about that.

Say send that shaving outfit right away.

No more news to write will let you know where I am as soon as I get there.

Say it's a great place where I was, it was about 10 above zero, some cold but it was great, I gained 2 lb. in 2 days.

Your most devoted son
