Dear Parents and Sisters: -

Received the two letters and thank you very much for the dollar you sent I also got some money from Towell to. The pictures of Dda are both good and Dora's a good too I wear it on my shirt everybody asks me if it is my girl.

I and another fellow took some pictures when we left Danbury you will find one in this letter.

We drill 6 hours a day but I'm to be made corporal soon so I only instruct the rookies.

Its a great place. Grandpa was to see me Sunday, but we go on guards that is Co. K. does, on Saturday night till Sunday night and wouldnt be able to see him so he wont come.
