Camp Bartlett. Sept. 10 1917

Dear Folks:-

I got a pass last Saturday and I went to Lowell. I came back this afternoon.

At first I was going to New York but I changed my mind for this season.

Some time this week or early next week we will leave this camp, Westfield, and I heard we were going to Long Island, so I thought that if we go to Long Island I will be right near home and will see you often so that's why I went to Lowell.

We will parade in Springfield
Thursday and about Saturday
or early next week we will leave
for Long Island or in a place in
New Jersey near New York.

Its cold here but we have enough
blankets to keep us warm.

We will get all our winter
clothing sometime this week so you
can imagine what that means.

If we ever do go to France we
will have to get about 1 year hard
training and in about that time
the war will be over. I got a
letter from Tom Kessler.

Regards to everybody.

Dan.
