Somewhere in France

Dec. 9-1917

Dear Folks and Sisters; -

I received your letter and was glad to hear that you are all in the best of health, I've been waiting about two months for mail from you and I hope you will send it often now.

I've written grandma about 4 or 5 letters and I haven't had no answer yet.

When I was in Westfield  
I wrote to you and told you  
what my address will  
be when I'm in France.

The reason I don't write  
every week is because there  
is nothing to write, its the  
same thing over and over  
again, and we couldn't  
write what we want you  
know.

We are having a fine  
time here, that is after  
dull, I'm in bed about  
7 or 8 o'clock fine time.

We had a dandy thanks-  
-giving dinner all the Turkey  
we could eat, and cranberry  
sauce, cake, sweet potatoes  
say I had so much I couldnt  
eat supper.

I hope you will send me  
what I asked for especially  
those Camel cigarettes.

I'll close now hoping to  
hear from you soon, I  
remain your loving son  
Dan.

Answer soon.
