Dear Folks:-

I guess its quite a long time since you heard from me but now you will hear from me quite often. Dont worry about me becaused i will take good care of myself.

I certainly did enjoy the trip, I was seasick at first but I songed over it and was glad to. There are lots of things I would like to tell you about but couldn't on account of the censor.

We had two stormy days and at one time I thought sure we were lost but we are safe at last.

I am in the best of health now and the food on the ship was good.

I'll write grandma a little too. I couldn't write much now but when I'm in camp and all set I'll write you a long letter.

I have a lots to tell you.

Corporal Daniel Dougan.
